INTRODUCTION

This Newsletter deals solely with the 2012 ISCA Conference in Greece and Turkey, and consequently this Newsletter serves as the Third Circular of the Conference.

DELAY IN SCHEDULING AIR FLIGHTS TO IOANNINA

As many of you have discovered, flights from Athens to Ioannina in November 2012 have not been scheduled at this time. We have been advised that the timetable of flights in November will not be known until next month, meaning June 2012.

Our Greek friends are working on this matter vigorously and as soon as this schedule is known we will let you all know. In the meantime we will all just have to put the planning of our itineraries on hold.

REGISTRATION

Renata is still waiting to receive the Preliminary Registration Forms from many of those planning to attend the Conference. Receipt of these forms will be of great help in determining the final costs of the Conference.

It is anticipated that the Final Registration Form will be sent out at the beginning of July 2012.

ONLY ATTENDING ONE PART OF THE CONFERENCE

It is appreciated that the overall time commitment required to attend all of the Conference is greater than the normal time required to attend a conference. A few members have enquired about the possibility of attending only one part of the Conference, due to their time constraints. I can confirm that this will be possible.
