### **GIANNIS ZALAVRAS MEMORIAL FUND**

The bank account to receive donations for the widow and son of our friend Giannis Zalavras has now been opened in Bermuda at the Bank of N.T. Butterfield and Sun Limited.

### **NAME OF THE ACCOUNT**

The formal name of the account is the "David Summers Giannis Memorial Account". The Account has my name in its description to facilitate the opening of the account in this age of banking. Opening an account in the name of ISCA would have consumed endless time in order to meet all of the modern compliance requirements.

### **SIGNATURE**

I am a signature on the account, as is my Administrative Assistant, Carol Lisa Roberts. If something happens to me then Carol can operate the account.

### **CURRENCY**

This is a U.S. dollar account. Bermuda is well versed in dealing with different currencies. Conversion from one currency to another does not incur huge fees in Bermuda, as it can in other countries.

### **DELIVERY OF DONATED FUNDS**

It is my intention to deliver the donated amount to the family in Ioannina, most probably in February 2013. This will be coordinated with Gogos and Vassilis in the New Year.

## **CONFIDENTIALITY**

The amount of each donation will only be known by myself and Renata to ensure that the amount of each donation remains as confidential as possible.

## **MANAGEMENT OF THE ACCOUNT**

The amount in the account will be forwarded to Vice Presidents Heinz and Brad on a regular basis to ensure that this is known by more than Renata and myself.

## **DONATIONS**

There are a number of ways that funds can be sent to the account. I will list some of those ways in the following sections.

## **BANK DRAFT**

Bank drafts can be purchased from Banks in many countries. Preferably, this should be made in denominations of U.S. Dollars, Euros or British Pounds.

## **WESTERN UNION**

If you have Western Union offices in your country then you can send money to David Summers in Bermuda. I will collect the money from the Bermuda office of Western Union and deposit it into the account.
